MEMORANDUM FOR: Director of Central Intelligence  
THROUGH : Director of Personnel  
SUBJECT : Supergrade Positions - WH Division

Personnel 18

1. This memorandum submits a recommendation for your approval. Such recommendation is included in paragraph 3.

2. In the attached request, Tab A, the Chief, WH Division asks that an adjustment be made in the supergrade structure recently approved for his component, which does not change the number of supergrade positions. He recommends that the positions of C/FI and C/CA for WH be approved as GS-16 positions in lieu of the positions of [redacted] and [redacted] as he regards the two staff positions as key positions in the WH Headquarters structure which should be given priority for supergrade status.

3. I concur in the recommendation of the Chief, WH Division, and request that consideration be given to making the adjustment in our supergrade authorization.
